17 It has come to the attention of the parties herein that United States Pretrial
18 Services is unable to put Mr. Guimont on GPS monitoring until August 12, 2005, due to
19 a problem in obtaining the necessary equipment. The court, as a condition of release,
20 required that Mr. Guimont notify his employer of his charge and related pretrial release
21 conditions by August 12, 2005. Due to Mr. Guimont's inability to physically comply
22 with that condition until after his release, the parties hereby request that he be allowed
23 until August 16, 2005, to comply with those conditions. Such a modification would
24 serve the ends of justice, therefore,
